The most important thing for you as a reader of this book is to select, or designate one person as your "steady" partner; someone you can rely on to sit with you at least 95% of the time. The more you sit and play as partners, the more you’ll learn how each other plays and thinks. This book is not for the faint of heart, but again for “Serious Spade Players Only!" Although we will cover "some" basics of the game, this book is designed with the idea that participants understand the "very" basics. We will not be discussing such thing as, knowing the rank structure of face cards i.e., that ACES outrank Kings; Kings outrank Queens, and QUEENS outrank JACKS in that order. If you have questions about the basics, STOP HERE! You are not ready for this book. Not only will we cover very little of the basic, but this book is designed to bring the INTERMEDIATE players to the level of an ADVANCED player in just 2 phases of this book. So without further due, we will begin our lessons on the topic of The Ultimate "Mind-Set" of winning. Andrew J. Rush has achieved the kind of critical and commercial success most authors only dream about: He has a top agent and publisher in New York, and his twenty-eight mystery novels have sold millions of copies. Only Stephen King, one of the few mystery writers whose fame exceeds his own, is capable of inspiring a twinge of envy in Rush. But Rush is hiding a dark secret.
